# AES Achievement Night

*Tuesday, April 4th 5-7pm*

AES students and staff are excited to announce that Tuesday, April 4th is our annual AES Student Achievement Night. This is an opportunity for our students to share with their families and community members many of the interesting things they are doing at school. Every classroom will have something special to see, so plan on taking a grand tour of our beautiful school.

## Things to do at Achievement Night

**Burger Feed:** Come enjoy a Countryside Burger Supper from 5-6:45 for \$5 per plate. Each meal will include a burger with all the fixins, chips, water and dessert. Last year we served 250 meals before we ran out, so this year we will order 275 meals to make sure everyone gets a chance to eat!!!

**Book Fair:** The Scholastic Book Fair will be open for business in the art classroom upstairs. We ask that families visit the book fair from 5-6:45 to ensure that all purchases are completed by 7.

**World Connections Display:** This year we are having our students do a bit of exploring about the world we live in from a geographical point of view, which will help them meet the Geography Standards that are a part of our learning plan. Please take some time to have your child tell you a bit about what they have learned about the topic they have chosen.

### **Please stop by our classrooms to see these projects!!!**

**Kindergarten:** Kindergarten will be sharing their projects from Art Tango curriculum. They will pick their favorite project to display above their classroom locker.

**First Grade:** Please stop by and check out the 1st grade habitat projects that they have been working on, along with their recycling projects.

**Second Grade:** Come and see the 2nd grade hallways where they will display some Native American, European, and Pilgrim artwork.

**Third Grade:** Take a look at the 3rd grade treasure maps, gummy bear experiment results and art projects in the hallway.

**Fourth Grade:** Check out our dodecahedrons and the results of our March Madness Tournament in the hallway!

**Fifth Grade:** Fifth grade students will have their Children's story Books, Autobiographies, Art Projects and their Country Projects on display.

**Music:** Visit the music room to see classroom instruments, songs for the Spring Concert, and new song books.

**PE:** Stop by the gym and check out some fun station activities!
