

616 SCHOOL DISTRICT SYSTEM ACCOUNTABILITY

Adopted: 07/23/2012

Revised: _____

I. PURPOSE

The purpose of this policy is to focus public education strategies on a process which promotes higher academic achievement for all students and ensures broad-based community participation in decisions regarding the implementation of the Minnesota Academic Standards and the No Child Left Behind Act.

II. GENERAL STATEMENT OF POLICY

Implementation of the Minnesota Academic Standards and No Child Left Behind Act will require a new level of accountability for the school district. The school district will establish a system to transition to the graduation requirements of the Minnesota Academic Standards. The school district also will establish a system to review and improve instruction, curriculum, and assessment which will include substantial input by students, parents or guardians, and local community members. The school district will be accountable to the public and the state through annual reporting.

III. DEFINITIONS

- A. "Course credit" is equivalent to a student successfully completing an academic year of study or a student mastering the applicable subject matter as determined by the school district.
- B. "Graduation Standards" means the course credit requirements and Profile of Learning content standards or Minnesota Academic Standards that school districts must offer and certify that students complete to be eligible for a high school diploma.
- C. "Profile of Learning" means content standards formerly required for a high school diploma.

IV. ESTABLISHMENT OF GOALS; IMPLEMENTATION; EVALUATION AND REPORTING

A. School District Goals

- 1. The school board has established school district-wide goals which provide broad direction for the school district. Incorporated in these goals are the graduation and education standards contained in the Minnesota Academic Standards and the No Child Left Behind Act. The broad goals shall be reviewed annually and approved by the school board. The school board shall adopt annual goals based on the recommendations of the Advisory Committee for Comprehensive Continuous Improvement of Student Achievement (the "Advisory Committee").

2. The improvement goals should address recommendations identified through the Advisory Committee process. The school district's goal setting process will include consideration of individual site goals. School district goals may be developed through an education effectiveness program, an evaluation of student progress committee, or through some other locally determined process.

B. System for Reviewing All Instruction and Curriculum. Incorporated in the process will be analysis of the school district's progress toward implementation of the Minnesota Academic Standards. The Administration will be involved in an ongoing process of reviewing the curriculum and make necessary changes to align the curriculum with the Standards.

C. Implementation of Graduation Requirements

1. The school board shall appoint a Graduation Standards Implementation Committee which shall advise the school board on implementation of the state and local graduation requirements, including K-12 curriculum, assessment, student learning opportunities, and other related issues. Recommendations of this committee shall be published annually to the community. The school board shall receive public input and comment and shall adopt or update this policy at least annually. The Graduation Standards Implementation Committee may be comprised of an existing committee such as of the Curriculum and Instruction Advisory Committee for Comprehensive Continuous Improvement of Student Achievement.
2. The school board shall annually review and determine if student achievement levels at each school site meet federal expectations. If the school board determines that student achievement levels at a school site do not meet federal expectations and the site has not made adequate yearly progress for two consecutive school years, the Graduation Standards Implementation Committee shall work with the school site to adopt a plan to raise student achievement levels to meet federal expectations. The Graduation Standards Implementation Committee may seek assistance from the Commissioner of the Minnesota Department of Education (MDE) (the Commissioner) in developing a plan which must include parental involvement components.
3. The educational assessment system component utilized by the school board to measure individual students' educational progress must be based, to the extent annual tests are administered, on indicators of achievement growth that show an individual student's prior achievement. Indicators of achievement and prior achievement must be based on highly reliable statewide or districtwide assessments. The school board will utilize models developed by the Commissioner for measuring individual student progress. The school board must coordinate with MDE in evaluating school sites and continuous improvement plans, consistent with best practices.

D. Advisory Committee for Comprehensive Continuous Improvement of Student Achievement

1. Before October of each year, the Advisory Committee will meet to advise and assist the school district in the implementation of the school district system accountability and comprehensive continuous improvement process.

2. The Advisory Committee, will work in cooperation with other committees of the school district to provide active community participation in:
 - a. Reviewing the school district instructional and curriculum plan, with emphasis on implementing the Minnesota Graduation Standards;
 - b. Identifying annual instruction and curriculum improvement goals for recommendation to the school board;
 - c. Making recommendations regarding the evaluation process that will be used to measure school district progress toward its goals;
 - d. Making recommendations regarding the development of the “Annual Report on Curriculum, Instruction, and Student Achievement.”
 3. The Advisory Committee shall meet the following criteria:
 - a. The Advisory Committee shall ensure active community participation in all planning for instruction and curriculum affecting Graduation Standards.
 - b. The Advisory Committee shall make recommendations to the school board on school district-wide standards, assessments, and program evaluation.
 - c. Building teams may be established as subcommittees to develop and implement an education effectiveness plan and to carry out methods to improve instruction, curriculum, and assessments as well as methods to use technology in meeting the school district improvement plan.
 - d. A local plan to evaluate student progress, using a local process, shall be used for developing a plan for assessment of student progress toward the Graduation Standards, as well as program evaluation data for use by the Advisory Committee in the instruction and curriculum review process. This plan shall annually be approved by the school board.
 4. The Advisory Committee shall, when possible, be comprised of two-thirds community representatives and shall reflect the diversity of the community. Included in its membership should be: Administration, Teachers, School Board Member, Student Rep., Parent(s), and Community Member (s)
 5. The Advisory Committee shall meet each year to:
 - a. Become familiar with the instruction and curriculum of the cycle content area.
 - b. Review evaluation results and prepare recommendations.
 - c. Present recommendations to the school board for its input and approval.
 - d. Provide direction to and review “Annual Report on Curriculum, Instruction and Student Achievement.”
- E. Evaluation of Student Progress Committee. A committee of professional staff shall develop a plan for assessment of student progress toward the Graduation Standards, as well

as program evaluation data for use by the Advisory Committee in the instruction and curriculum review process. This plan shall annually be approved by the school board.

- F. Educational Planning and Assessment System. The school district may elect to participate in the Educational Planning and Assessment System (EPAS) program offered by ACT, Inc., to provide a longitudinal, systematic approach to student educational and career planning, assessment, instructional support, and evaluation.
- G. Reporting. An “Annual Report on Curriculum, Instruction and Student Achievement” shall be approved by the school board by October 1 of each year. The school board shall publish a summary of the report in the local newspaper with the largest circulation in the district, by mail, or by electronic means such as the school district website. If electronic means are used, the school district must publish notice of the report in a periodical of general circulation in the school district. The school district must make copies of the report available to the public on request. A copy shall be sent to the Commissioner by October 15 of each year. The public report shall include, but not be limited to, the following:
1. Student achievement goals for meeting the Minnesota Academic Standards;
 2. Result of local assessment data and any additional test data, including all data required by Minn. Rules Part 3501.0160;
 3. School district improvement plans including staff development goals;
 4. Progress on previous improvement plans;
 5. Amount and type of revenue attributed to each educational site as defined in Minn. Stat. § 123B.04;
 6. Names of Advisory Committee members, dates their terms expire, method of selection, and application dates;
 7. Periodic reports on constituencies’ satisfaction with schools;
 8. Biennial evaluations of the school district testing programs according to the following:
 - a. written objectives of the assessment program;
 - b. names of tests and grade levels tested;
 - c. use of test results; and
 - d. student achievement results compared to previous years.
