South Dakota Youth Track and Field

On May 19th, Harrisburg, SD will be hosting a youth track meet. The track meet will include students from ages 7-13. The students can perform most track events that high school and college athletes perform. If you would like to register, it is \$10 for the first event, and then \$5 per event after that. The events range from 100 meter dash to a 1500 meter run. Register as soon as possible with a quick deadline of May 11th. If you are interested and missed the deadline, contact kip.mckee@k12.sd.us. If you would like to register your student, go to southdakotayouthtrackandfield.com. If you have any extra questions, feel free to contact Jordan Pater at j.pater@isd511.net.

Nurse *Notes*

If your student takes medication at school or has an “as needed” medication, please pick up your student's medication by June 1st at 12pm. If you have any questions, please call the school.

****WANTED****

Now that spring is upon us, are you in the process of spring cleaning and reducing some of that extra clutter you no longer want or need around the house? If so, the special education and speech/language programs are seeking donations of any used toys, games, or puzzles that families no longer have a need for. These donations can include anything from the very smallest of items such as Shopkins, cars, marbles, play animals, plastic food items, etc up to larger toys such as marble runs, ball poppers, farm sets, blocks, books, etc. If donating games or puzzles, we just ask that all of the required pieces be included. A donation box will be located in the elementary office for any items that families decide to part with. A big thank you to everyone who has donated items throughout the year. It is greatly appreciated as all items are put to good use!

Thanks ~ The Special Education Team

Library Summer Reading Program 2018 **“Reading Takes You Everywhere”** www.plumcreeklibrary.org/adrian

The Adrian Branch Library has a new Summer Reading Program this year. There will be new programs in place for all ages, preschool and up, as well as special programs throughout the summer for kids; as well as special programs for Teens and Young Adults. And, as always, there will be prizes and, this year, end-of-the-summer special prizes and activities are offered.

Watch the Library website, or stop in, for more program information.

Read ANYTHING (Books: from home, from the Library, online, downloaded books, audio books, etc.) and earn prizes and more!

Preschool – 4th Grade: Dragon Readers

Grades 5th – 8th: Dragon Slayers Contract Readers

Sign-up for the Summer Reading Program by stopping by the Library, calling the Library at 507 483-2541, or emailing Meredith/Librarian at mvaselaar@co.nobles.mn.us

Lost and Found!!

This is your **LAST** chance to claim any lost items. We have an abundance of things turned in. Please stop at the table near the office to claim. Any items not claimed by the end of the year, will be donated.

Summer Bridge Books – to help your child avoid the summer academic slide!

- If you ordered a book, they will be arriving soon.
- Summer Bridge Books can be found at Lit'l Wizards in Worthington if you would still like to get one for your child.
- Encourage your child to complete a page a day or every other day.
- There are stickers in the back of the book for motivation.
- Be creative where your child completes his/her book to make it more fun (in the car, in a tent, under a blanket, etc.)

For those who complete the book, and bring it back in the fall to school, there will be a tasty reward!
