Adrian Elementary Updates

Please check out our Facebook page,

<https://www.facebook.com/adrianelementary>.

Like us to receive updates and news in your News Feed!

Picture Retakes

Picture packets were sent home with your child on September 14th. If you would like to have your child's picture retaken or they missed the open house, retakes will be held on **Tuesday, October 16th**. Lifetouch will be here from 8 - 10 am. Any student that has not had their picture taken, you will find an order form in their Friday Folder. For students that need retakes, please send back the original packet along with ALL pictures. Any questions, please call Jen at 507.483.2225.

END OF DAY CHANGES!

If your child will be changing their after school routine at all, please call by 2PM or send a dated note stating where they are going along with your name and number. We will not be able to send them anywhere without parent permission.

0-5 Census Form

Every Minnestoa School District is required by law to maintain an annual birth - 5 year old census. This information is used by the Minnesota Department of Education to determine our District's share of State Education dollars.

The Adrian School District will use these records to notify district parents about ECFE classes (Early Childhood & Family Education), Preschool Screening (starting at age 3) and Kindergarten Roundup held in the Spring (prior to school entrance).

Please visit our website at www.isd511.net to fill out a census form or call Adrian Elementary at 507.483.2225 for more details.

Warm Clothing

As the days begin to get cooler, please don't forget to send warm clothing with your student. The students will be going out for recess every day, weather permitting, so remember to dress them appropriately. As winter approaches, please make sure they have hats, mittens/gloves, snow pants, jacket and boots. **Please label your child's items.**

Mid-Trimester 1

Mid-trimester 1 was Wed. Oct. 10th. Grades were sent home today Friday, October 12th with students in grades 3RD through 5TH. Be sure to check your student's Friday folder for their progress report. If you have any questions or concerns, feel free to contact your child's teacher.

Adrian Elementary Makerspace/STEM Program Needs

Students at Adrian Elementary are fortunate to have the opportunity to participate in STEM learning. Another name for this is Makerspace. This learning takes place through our technology program under the direction of Ms. Klaassen. STEM stands for Science, Technology, Engineering and Math. The focus of STEM is for students to participate in learning activities where Science, Technology, Engineering, and Math come together. Students work on projects in collaborative groups. If you visit a STEM classroom in action, you can see the creativity of kids shining through as they work closely together in a hands-on way to solve real-world problems. We are continuing to build this program through the support of the school district, as well as generous donations from our Blue and Gold PTO and donations from people who want to see this type of learning in our school! Currently our STEM program has a need for a variety of items, including the following:

*Small hammers *Pliers *Nails *Small blocks of wood *Sewing needles *Thread *Marbles *Old CD discs
*Small pieces of fabric *Twist off bottle caps *Twist off lids from jars *Cardboard shoe boxes

Please feel free to email me if you have something you think I might like to have for Makerspace/STEM. If you want to know more about Makerspace/STEM, feel free to stop in and ask me about it or email me at s.klaassen@isd511.net

Thank you.
Ms. Klaassen

PTO News

The PTO will be submitting the Fall Box Tops. If you have Box Tops you have not turned in please do so, so we can get them counted up and sent in!

The dragon pride 30 ounce Tumbler cups are still available for \$25. If you would like one you can contact the school.

“National School Hot Lunch Week”

Adrian Elementary and Lunchtime Solutions would like to invite you to join your child for lunch as we celebrate “National School Hot Lunch Week” during the week of October 22nd through 26th.

We sent the letter home with all the details last Friday Oct. 5th. If you would like another order form, please let your student’s teacher know. Please return the form to the office by Oct. 17th.

Please Note: This year we are requiring that any adult and/or sibling that will be eating with their school age child, to come to the Elementary Office to purchase a lunch ticket. In the office, you will be able to pay for a lunch by check or cash (exact amount appreciated) or you can charge it to the child’s lunch account, only if sufficient funds are available. Once you have received a ticket you will show it to the line staff and hand it to the cashier.

We are looking forward to having you join us for lunch!

Adrian Community Education - Dragon Adventures - After School Program

***Students can sign up for one day or multiple days. Drops in are always welcome; we just ask that you contact the school by noon that day and bring \$3 at pick up.**
