ADRIAN SNOW HOME

In the event that a fast moving winter storm makes it questionable to send rural students home, we would like to have a backup plan for sheltering your child(ren) in town (Adrian).

We ask that you identify one or two locations where you know that your child(ren) could stay in the event extreme weather conditions prevent the school from sending students home. This would also apply to rural students who drive. If we do not run buses due to weather conditions, we do not want rural students driving home either. If you are unable to make accommodations in town for your child(ren), then they will be kept at the school and supervised by school personnel.

Please fill out the form below and return it to school as soon as possible.

Student(s) _____

Grade(s) _____

Parent(s) _____ **Phone** _____

Name of Primary Host that would house my child(ren)

Host Address: _____

Host Phone: _____

Name of Alternate Host that would house my child(ren)

Alternate Host Address: _____

Alternate Host Phone: _____

I acknowledge that I have given my child(ren) permission to stay with the primary or alternate host listed on this form and that I have made the necessary arrangements with these people to host my child(ren) in the event extreme weather conditions prevent the school from sending students home.

Date

I do not have accommodations for my child(ren) in town and understand my child(ren) will be sheltered and supervised by the school in the event weather conditions prevent the school from sending students home.
