ADRIAN SNOW HOME

In the event that a fast moving winter storm makes it questionable to send rural students home, we would like to have a backup plan for sheltering your child(ren) in town (Adrian).

We ask that you identify one or two locations where you know that your child(ren) could stay in the event extreme weather conditions prevent the school from sending students home. This would also apply to rural students who drive. If we do not run buses due to weather conditions, we do not want rural students driving home either. If you are unable to make accommodations in town for your child(ren), then they will remain at the school and supervised by school personnel.

Please fill out the form below and return it to the school as soon as possible.

Student(s): _____ Grade(s): _____

Parent Names: _____ Phone: _____

Primary Snow Home Host:
