Picture packets will be sent home with your child in next week's Friday folder. If you would like to have your child's picture retaken, retakes will be held on October 24th & 25th. On these dates we will also be taking PK-5th grade class pictures, as

well as pictures of any students that did not get them taken on the August 30th picture day. If your child did not get their picture taken on August 30th, helse will be bringing home package pricing in the next few weeks.

5 Tips to Jump Start Your Child's School Year

- Get backpacks ready the night before
- Create a bedtime routine
- Find time to listen to your child read to you or vice versa
- Talk to your child about their school day
- Keep up with school and classroom events and /or activities

Nurse Notes

Hearing and Vision Screening for K-5 is scheduled for October 10th. Your child will be having basic hearing and vision checks done during school. If your child wears glasses, please make sure they have them at school on this day for the vision portion of the screening. If your child wears glasses but does not have them for the screening, we cannot accurately screen your child.

As the weather changes, coughs and colds seem to be showing up in full force. If your child has a cough or cold, **please send cough drops** with them to school if you want them to have them. We do have some at the school but if your student is requesting them multiple times throughout the day, they are missing valuable learning time. If you have any questions, please feel free to call.

If you have not returned your child's health form, please do so as soon as possible.

PTO News

If anyone is interested in joining the PTO please attend the meeting on October 3rd @ 6:30 PM in the Skylight Diner. Topics of discussion will be the 5K run/walk for Halloween and box tops.

LOST & FOUND

It's crazy to believe, but we already have a good start on the items left behind. Please remind your children to check the table in the hall by the office. Thank you.
