Lil' Dragon Fire

Important Information

Winter is not gone yet!

Please remember, as winter rolls back in, that students should come to school prepared for the winter weather. Make sure they come with winter coats, snowpants, boots, hats, and gloves.

I Love To Read Month!

I Love to Read Month ends on February 28th. We will be having a Superhero Reader Party on Friday, March 3rd. Students can dress like a superhero that day! We would like to give a huge thank you to PTO and the school for donating prizes and snacks to make this special event possible!

Preschool Screening

Thursday, March 9th there will be preschool screening for children who have birthdates from December 1, 2013 through July 31, 2014. Minnesota law mandates that children participate in a developmental screening before they enroll in Kindergarten. If you are a resident of the district and your child's birthdate falls into these dates, and you did not receive a letter in the mail, please contact the school.

- 3/27 Kindergarten Round-Up

No School

March 20th
April 14th-17th

Early Release

13-Apr

Remembering Mr. Christensen

This week has been a difficult time for our students and staff at Adrian Public Schools, as well as the families of students attending our school and all of Mr. Christensen's family and friends. Mr. Christensen played an important role in the lives of so many students and educators as a coach, teacher, and principal. On Tuesday morning we took some time to talk with our AES students about our Middle and High School Principal, Mr. Christensen (Mr. C). We wanted to provide our students with some things about him that were inspiring to all of us. Below are some of the things we shared.

Mr. Christensen, our Middle/High School principal, passed away on Sunday morning. Mr. Christensen was married to Pam, and had three children that he loved dearly. Mr. Christensen was the principal for 10 years at Adrian, and before that he was a principal at Russell/Tyler/Ruthton. Mr. C was also an elementary teacher in Luverne for many years, and he was loved by his students. Mr. C took great pleasure in helping kids, and we will miss him very much. As a teacher and principal, Mr. C wanted every student to do their best and to be good to one another each and every day. As we remember and honor Mr. C today, let's think about things each of us can do to honor Mr. Christensen each and every day! He would like that very much.

In closing, our school family is thankful that Mr. Christensen was a part of our family for ten years. We are appreciative of the words and messages of support we have received.

In loving memory of Mr. Christensen,
AES Students and Staff
