RACE/ETHNICITY INFORMATION

Guidelines on maintaining, collecting, and reporting racial and ethnic data to the U.S. Department of Education were published in the Federal Register (72 FR 5926), on October 19, 2007. States are *required* to report student and staff race and ethnicity in a two-part response. Part one requires every student to declare whether or not they are Hispanic. Part two requires all students to identify with one or more racial categories. In order to comply with this new law, please answer the following two questions:

Is this student or parents/guardian Hispanic/Latino?

- No, Not Hispanic/Latino**
- Yes, Hispanic/Latino** (A person of Cuban, Mexican, Puerto Rican, South or Central American or other Spanish culture or origin, regardless of race.)

What is the student's or parents/guardian's race? (Choose one or more)

- American Indian or Alaska Native** (A person having origins in any of the original people of North and South America (including Central America), and who maintains tribal affiliation or community attachment.)
- Asian** (A person having origins in any of the original people of the Far East, Southeast Asia or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand and Vietnam.)
- Black or African American** (A person having origins in any of the black racial groups of Africa.)
- Native Hawaiian or Other Pacific Islander** (A person having origins in any of the original people of Hawaii, Guam, Samoa or other Pacific Islands.)
- White** (A person having origins in any of the original people of Europe, the Middle East or North Africa.)
