Title I School Wide Parent Involvement Plan
Adrian Elementary School Parent Involvement Plan
Adopted June 2003
Newest Revision: May 2014

Adrian Elementary School (AES) is committed to providing quality education for every child in the district. To this end, we want to establish partnerships with parents and with the community. Everyone gains if school and home work together to promote high achievement by our children. Neither home nor school can do the job alone. Parents play an extremely important role as children's first teachers. Their support for their children and for the school is critical to their children's success every step along the way.
AES recognizes that some students may need the extra assistance available through the Title I School Wide program to reach the state's high academic standards. AES intends to include parents in all aspects of the school's School Wide Title I program. The goal is a school and home partnership that will help all students succeed.
