

Study Guide – Maps

Test on:

1. Be able to match the following words and definitions.

map: picture of part of Earth from above

compass rose: tool drawn on a map to show directions

symbol: picture, pattern, or shape that represents something on a map

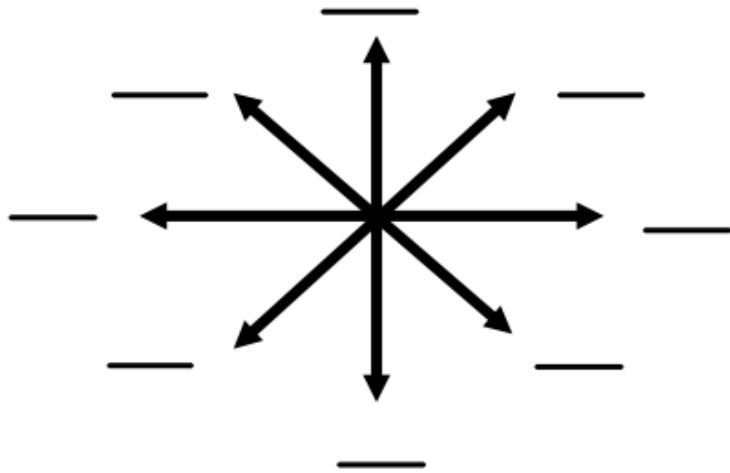

map key: list of symbols on a map and what they stand for

landform: natural feature on Earth's surface

grid: pattern of lines that cross to form squares

scale: shows what the distance on the map equals to that on Earth

2. Be able to complete a compass rose by adding directions.

3. Be able to use a map key to answer questions about symbols on maps.

4. Be able to use a grid to find places.

5. Be able to use a map scale to find the distance between two places.
