Section 504 Student Disability Nondiscrimination

I. PURPOSE

The purpose of this policy is to protect disabled students from discrimination on the basis of disability and to identify and evaluate learners who, within the intent of Section 504 of the Rehabilitation Act of 1973, need special services, accommodations, or programs in order that such learners may receive a free appropriate public education.

II. GENERAL STATEMENT OF POLICY

- A. Disabled students are protected from discrimination on the basis of a disability.
- B. It is the responsibility of the school district to identify and evaluate learners who, within the intent of Section 504 of the Rehabilitation Act of 1973, need special services, accommodations, or programs in order that such learners may receive a free appropriate public education.
- C. For this policy, a learner who is protected under Section 504 is one who:
 1. has a physical or mental impairment that substantially limits one or more major life activities, including learning; or
 2. has a record of such impairment; or
 3. is regarded as having such impairment.
- D. Learners may be protected from disability discrimination and be eligible for services, accommodations, or programs under the provisions of Section 504 even though they are not eligible for special education pursuant to the Individuals with Disabilities Education Act.
- E. The Adrian Public School has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by the Americans With Disabilities Act (ADA) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794). Section 504 states, in part, that “no otherwise qualified individual with a disability...shall, solely by reason of her or his disability, be excluded from the participation in, be denied the benefits of, or be subject to discrimination under any program or activity receiving federal financial assistance.”
- F. Any individual who believes he or she has been the victim of discrimination by a teacher, administrator or other school district personnel, or any person with knowledge or belief of conduct which may constitute discrimination toward a student should report the alleged acts immediately to an appropriate school district official designated by this policy or may file a grievance. The school district encourages the reporting party or complainant to use the report form available from the principal of each building or available from the school district office.
