

# Adrian Community Education Presents **Dragon Adventures**

(Adrian Elementary After School Program)

The Adrian Community Education After School Program, now called *Dragon Adventures*, is for students in kindergarten through fifth grades. It will be held Monday through Friday after school on all school days from 3:20 to 5:00. The cost to attend is \$3 per night/per student and you may register for one night, some nights or all nights. **This is a preregistered and paid in advance program.** Due to the cost of the preordered snack and/or supplies for the given date, there will be no refunds.

Please be prompt in picking up your child(ren) at 5:00. In the event that school is cancelled due to the weather, there will be no after school program.

Students will be dismissed from their classroom teacher and will meet in the Lunchroom/Commons Area, where attendance will be taken, free play period, a nutritious snack and followed by a fun, structured activity. It is sure to be a great time for all students!

Please remind your child(ren) that they are still in school and must obey the school/classroom rules.

Registration forms will be sent home monthly with the oldest child in Elementary School in their Friday folders.

The program is coordinated and staffed by Jessica Dibbern along with additional staffing when needed.

Any questions, please contact Jessica Dibbern.
