

ADRIAN ELEMENTARY SCHOOL  
Field Trip Permission Form

Dear Parent/Guardian:

Students at Adrian Elementary Schools are involved in a variety of school sponsored educational field trips during the school year. Some of the trips will be local ones in Adrian and other trips will be out of town.

This permission slip will cover only the local trips in which the students will walk to the place of interest or take a short bus ride to the place here in Adrian. A different permission slip will be sent home when your child goes out of town. At that time, the itinerary and information will be sent home to explain this longer, out of town trip.

Please sign the local field trip slip and send back with your student.
