Lil' Dragon Fire

Important Information

Kindergarten roundup was held on Monday, March 27th. Thank you to all who made it. We would like to thank you for being so diligent in providing the necessary health information at registration. When this information is provided it helps ensure your child's health needs are met and their safety is maintained. If you were not able to provide it at registration, please be sure to bring an official birth certificate, a social security card, and up to date immunizations as soon as you can. We look forward to working with your student in the fall!

Spring Pictures - Due to a change in vendors for school pictures this year, we will not be offering spring pictures as we have in the past.

Spring Concert

Be sure to mark Monday, May 8th on your calendar! Grades 3, 4, and 5 will present their annual Spring Concert. Their musical selections will begin at 7:00 pm. The 5th Grade Band will also perform. Dustin Boyum and Erika Bierman will be directing. This event is open to the public, so invite your family to come and enjoy a wonderful night of music at AES.

MCA Testing

Each year schools are required to give an assessment to all students in grades 3-12. Students will be finishing up with reading this week and starting math on April 11th. Please make sure that your child gets a good night's sleep and has a nutritious breakfast on testing days.

TESTING

Hawaiian Theme Day

Friday, April 28th will be a Hawaiian theme for Friday's FEAST (Fun Eating And Sharing Together). Wear bright colors!

AES Achievement Night

This past Tuesday was a great night at AES. Each year we take this opportunity to invite our families to school to see some of the things our students are engaged in. We had a great turnout this year, and our students really enjoyed showing their families the interesting things they have accomplished.

This year for Achievement night we decided to have a theme to celebrate the uniqueness of our family histories, and to learn a bit more about our world. This proved to be a fun experience for our students, as they were able to pick a place they wanted to learn more about, and they were able to find out more about their ancestors and the different places they immigrated from. It was great to see the support our students got from their parents and teachers to help make this a successful experience.

In closing, our students and staff did a tremendous job of putting on display the artwork they have completed. There were so many interesting things to look at and enjoy, from the 1st grade recycled objects to the Lego League.
